A Member of the State Bar, No. 234356.)	
_____)	

On April 17, 2012, respondent filed a motion to delay or stay interim suspension. On April 24, 2012, we issued an order temporarily staying his suspension pending review of the motion and the State Bar's response, if any. On April 25, 2012, the State Bar filed its opposition. Finding no good cause, respondent's motion is denied, the temporary stay is lifted and his suspension effective May 14, 2012.

On April 23, 2012, the State Bar transmitted evidence that respondent's conviction is final. This matter is referred to the hearing department under California Rules of Court, rule 9.10(a), for a hearing and decision recommending the discipline to be imposed in the event that the hearing department finds that the facts and circumstances surrounding his felony violation of Penal Code section 69 (obstructing or resisting executive officers in performance of their duties) involved moral turpitude or other misconduct warranting discipline.
